Profile

A versatile, hands-on design professional with over 11 years of experience bridging brand identity, product marketing, and digital execution. Specializing in creating scalable visual systems and grab-and-go templates, I empower cross-functional teams to execute independently without sacrificing brand integrity. With a background spanning fast-paced agencies, B2B environments, and financial services, I bring a systems-driven mindset, deep technical fluency across Figma and Adobe Creative Suite, and a passion for crafting cohesive, high-converting digital and physical touchpoints.
