(the "Fund" or "Partnership") or any future fund sponsored by SuperBloom Capital Partners, LLC. Recipients of this Presentation agree that SuperBloom Capital Partners, LLC (the "firm"), its affiliates and their respective partners, members, employees, officers, directors, agents, and representatives shall have no liability for any misstatement or omission of fact or any opinion expressed herein. The Presentation is not intended for any general distribution or publication and is strictly confidential. This Presentation and the information contained herein consists of confidential proprietary information and is the sole property of the firm. Each recipient further agrees that it will (i) not copy, reproduce, or distribute this Presentation, in whole or in part, to any person or party (including any employee of the recipient other than an employee directly involved in evaluating an investment in the Fund) without the prior written consent of the firm; and (ii) keep permanently confidential all information contained herein that is not already public.
- Notwithstanding the foregoing, each investor and prospective investor (and each employee, representative, or other agent thereof) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the Fund and its investments and all materials of any kind (including opinions or other tax analyses) that are provided to such investor or prospective investor relating to such tax treatment and tax structure, provided, however, that such disclosure shall not include the name (or other identifying information not relevant to the tax structure or tax treatment) of any person and shall not include information for which nondisclosure is reasonably necessary in order to comply with applicable securities.
- In considering any performance information contained herein, prospective investors should bear in mind that past or projected performance is not necessarily indicative of future results, and there can be no assurance that the Fund will achieve comparable results or that target returns, if any, will be met. In addition, there can be no assurance that unrealized investments will be realized at the valuations shown as actual realized returns will depend on, among other factors, future operating results, the value of the assets and market conditions at the time of disposition, any related transaction costs, and the timing and manner of sale, all of which may differ from the assumptions on which the valuations contained herein are based. Nothing contained herein should be deemed to be a prediction or projection of future performance of the Fund.
- Prospective investors should make their own investigations and evaluations of the information contained herein. Each prospective investor should consult its own attorney, business adviser and tax adviser as to legal, business, tax and related matters concerning the information contained herein and such offering.
- Except where otherwise indicated herein, the information provided herein is based on matters as they exist as of the date of preparation and not as of any future date, and will not be updated or otherwise revised to reflect information that subsequently becomes available, or circumstances existing or changes occurring after the date hereof.
- Certain information contained in this Presentation constitutes "forward-looking statements," which can be identified by the use of forward-looking terminology such as "may," "will," "should," "expect," "anticipate," "target," "project," "estimate," "intend," "continue" or "believe," or the negatives thereof or other variations thereon or comparable terminology. Due to various risks and uncertainties, actual events or results or the actual performance of any the fund may differ materially from those reflected or contemplated in such forward-looking statements.
- Except as otherwise provided in a written agreement between the recipient of this Presentation and the firm, if the recipient receives a request under any public disclosure law to provide, copy or allow inspection of this Presentation or other information regarding or otherwise relating to the firm, the Fund or any of their respective affiliates, the recipient agrees to (i) provide notice of the request to the firm; (ii) assert all applicable exemptions available under law and (III) cooperate with the firm to seek to prevent disclosure or to obtain a protective order or other assurance that the information regarding or relating to the firm or fund or any of their respective affiliates will be accorded confidential treatment.
- The performance information set forth in this Presentation is provided for illustrative purposes only and is not necessarily indicative of the Fund's future results. Such investments (at least in part) have been made by vehicles pursuing investments at different stages of capital structures and/or across different stages of the economic cycle. The nature of, and risks associated with, the Fund's investments may differ substantially from those investments and strategies undertaken historically on behalf of such other funds. In some instances, return rates targeted by the Fund for its investments will be less than the historical results set forth herein. While the firm intends for the Fund to make investments that have estimated returns commensurate with the risks undertaken, there can be no assurances that any targeted internal rate of return will be achieved. On any given investment, loss of principal is possible. Potential investors should not rely on the information included in this Presentation and should carefully review the Fund's Private Placement Memorandum when making an investment decision of whether to make an investment in the Fund.
